### **DETAILED ACTION**

This Action is in response to Amendment filed 05 April 2011. Claims 1-10 and 12 are now pending in the present application.

#### ***Allowable Subject Matter***

Claim 11 cancelled.

Claims 1-10 and 12 are allowed.

This communication warrants no examiner's reason for allowance, as applicant's reply makes evident the reason for allowance, satisfying the record as whole as required by rule 37 CFR 1.104 (e). In this case, the substance of applicant's remarks in the Amendments filed on 08 October 2010 and 05 April 2011 point out the reason claims are patentable over the prior art of record. Thus, the reason for allowance is in all probability evident from the record and no statement for examiner's reason for allowance is necessary (see MPEP 13202.14).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
